Step 1: Log in to the mobile app using your eBanking credentials.

Step 2: You can set "Fast Balances", which enables you to view account balances on your app login screen without having to enter your credentials or login.
Step 3: In the hamburger menu, under the "Accounts" tab, click "Fast Balances".

Step 4: Check the accounts you'd like to enable for "Fast Balances", click the "Submit" button, and your list of accounts will be updated.
Step 5: The next time you use your app, you'll be able to click "Fast Balances" without entering your ID or password, and you'll be able to see your selected accounts at a glance.
